

Quality Policy

The management of Donite Plastics Ltd believe quality products and service are essential for the success of the company. It is understood that quality is not a choice but a necessity.

The Quality Assurance System based on "EN ISO 9001: 2015" is designed to ensure that:

- All products meet or exceed customer and regulatory requirements.
- Product is always delivered on time.
- Errors in production are minimised.
- No mistake is repeated.
- Issues affecting quality are continually reviewed and revised.
- Employees are involved in the quality assurance system and feel part of the process.
- Quality objectives are established, reviewed and revised on a regular basis.
